Newsletter 4

**Dear Parents/ Carers,**

**Sports Award** – we are really pleased to let you know that we recently achieved the Gold Award School Games Mark. This award recognises all the sporting opportunities that we offer to children within the curriculum and outside of the curriculum too. Thank you to Mrs Mealand for leading P.E so well in school and thank you to staff and parents for their support in achieving this.

**P.E. Lessons** – if your child has their ears pierced, then they need to be able to remove their own earrings for P.E. If they are unable to remove their own earrings, then please ensure that they do not wear earrings to school on the days of their P.E. lessons. If your child has had their ears pierced in the summer holidays and is not allowed to remove their earrings yet, then please send in some micropore tape for them to cover their earrings. Schools are not allowed to provide this for children. Thank you.

**PTA Disco** – it is our PTA Disco on **Thursday 20<sup>th</sup> October**. The KS1 disco will be from 4.30pm to 5.30pm and KS2 from 5.45pm to 6.45pm. Tickets are available to purchase on ParentPay.

If your child is booked into Owlets on the day of the disco, then please collect a letter from Miss Jones to give permission for them to attend the disco. Any KS1 children attending Junior Sports Stars on that day will

be able to go straight from their club to the disco. Please let their class teacher know the arrangements on the day.

**Named tickets for the disco will be sent home with the children. Please ensure that your child brings their ticket to the disco as this ticket will be our way of knowing who is in the building.**

**Teddy Donations** – if you have any old teddies at home that you no longer need, please send them into our school office. They will be used for our adopt a teddy stall at the Christmas Fair. Thank you.

**Owlets** – if you have booked your child into Owlets after school and your arrangements change during the day, please call the office or text the Owlets number to let us know (**07711048753**). We often spend time at the end of the school day trying to call parents whose children are booked into Owlets and the children are telling us they are going home with someone else. In accordance with our safeguarding procedures, we can't let the children go until we have received confirmation of arrangements from parents.

**Trim Trail** – please ensure that your child is not using the trim trail before or after school as we are not insured at these times.

**Data Collection** – It is vital that we have up to date medical information and contact information for your child. Each child should have brought a data collection sheet home with them last week. If any information has changed please return the form to school asap. If there are no changes to the information, there is no need to return the form.

**Individual Photographs** – individual and sibling photographs will be taken on Wednesday morning in school.

We aim to be approachable and work in partnership with parents, so if there is anything you wish to discuss, please do not hesitate to come and talk to us.

Yours sincerely,

Claire Love
